COMMUNITY SERVICE

Hopefully Friday will be a great day for painting. It would be good to have the proficient crew that wielded their brushes with red stain for the hutments (High Tide and Fair Winds) to be supplemented by those who prefer Cape Cod gray. The target is the apartment house next to the Retreat Center. A dozen painters could get the job finished by refreshment time. See you about 8 a.m.

SATURDAY AT 10:30 IN THE CHAPEL

Bill and Charlotte Brousseau, residents of our Campsite invite us to the christening of their granddaughter Sophia Jennifer. Bill and Charlotte have become well known participants in our community and enjoyable partners in the work crew.

SUNDAY SPEAKER

The Reverend Tom Perry is Associate Chaplain of the Grace Lighthouse Fellowship in Wareham.

ONSET REUNION QUESTIONNAIRES

Those who were here for reunion are urged to complete the questionnaire forms and give them to Jeannine on Sunday or e-mail their views to Kristin Smith. Your suggestions will be welcomed by the planners of reunion 2009.

HELP THE CUB SCOUTS

Cub Scouts troop 939 of which Daniel Minkle is a member is engaged in a fund raiser. You can help by depositing redeemable empty cans at the Danny Minkle cottage by Saturday

DENNISPORT YARD SALE

The yard sale was deemed a success with about \$500 available for the church budget

WEDNESDAY COMMUNITY MEETING

We have been having some very interesting meetings as we discuss our community life here and look toward next year. Next week we will assemble material for the last Flyer of the summer season and review the multiple activities of Labor Day Weekend.
